The attention of the Principals of all Medical Colleges is invited to the above reference and they are informed that Dr. NTR UHS is introducing allotting each question a certain number of pages in the answer booklet and certain other changes, starting from 1st MBBS Examinations scheduled to commence on 23.04.2021.

Hence all the Principals are requested to circulate these changes to the students and Invigilators immediately by different means like display in the notice board, circulars and group messages without fail. They are also requested to see that these changes are announced by the invigilators in the examination hall at the start of each examination.

REVISED INSTRUCTIONS TO THE CANDIDATES

1. Each page of the booklet is having a barcode with page number printed above the barcode and question number printed below the barcode. Please verify and if any error is noticed, bring it to the notice of the invigilator before the beginning of the examination and request for another booklet. For question wise page allocation - please see page No. 2
2. Please note that each question is allotted definite number of pages in the answer booklet and answer for any question should be written in the pages allotted to that particular question only. **Answers written elsewhere will not be evaluated.** In case of subdivisions in the question like a, b, c, etc. write all the subdivisions in the pages allotted to the main question only. Write Q. No. both in the margin and in the centre of the page above the beginning of the answer.
3. The answers should be legibly written using black ink ball pen only. You can use colour pens or pencils for drawings if necessary.
4. Students are instructed to draw a horizontal line at the end of each answer and strike off the empty pages and the chief superintendent and Invigilators must ensure it.

All the Principals are requested to take further necessary action immediately.
